Dear Friends,

I am asking each and every one of you who loves St. John's to commit to a renewed future for our parish – a renewed future which depends upon your generous sharing of your time, talent, and treasure. These are challenging times for the very survival of parishes across our land and around our diocese.

If you love this parish – if you cherish its heritage and traditions – if you rejoice in its liturgy and music – if you yearn for the continuance of faithful pastoral care – if you are hungry for strong and effective preaching and teaching – if you yearn for it to maintain a witness of service in the community - *Praising God, Serving Neighbor* – if you enjoy the fellowship and the friendships which you find in this place -if you long to keep a beautiful historic building witnessing to Christ's Gospel and God's glory – there can be only one conclusion: support St. John's Church with as generous a gift of your time, talent, and treasure as you are able.

May God bless and guide you in your stewardship decision-making!
